October 4 - NAVO FALL CONCERT!!! -

All students

1 SEPTEMBER 2019

Dear Navo Band Family-

Happy Sunday afternoon everyone! I hope you are enjoying your 3 day weekend. Thank you for the many donations of copy paper, dry erase markers, pencils, etc. we received this week! You guys are awesome!!!

Thank you to those of you that have paid fees or made payment arrangements with us already. **Fees are due this Friday, September 6th** (payment plans are available if needed, just let me know). Don't forget to add your phone number to your check if it isn't there. Cash payments are fine as well. Please make sure fees are turned in with a pink band receipt form so we know if you are paying for your band fee, instrument usage fee, or both. That band receipt page was emailed out with the powerpoint from our parent meeting and a hard copy can be picked up by the students in class.

Band T-Shirts are arriving at the end of the week or Monday of next week. Students will not receive their shirt until some sort of band fee payment has been made. Thanks for your understanding. Here is our band shirt for this year (the date at the bottom will read 2019-2020 not 19-20)! Looks awesome!!!

CHARMS - You can print payment receipts if you've already made payments with us using CHARMS. See the band website under parent links for instructions on logging in to Charms. Please let me know if you are having difficulty with logging in.

Update about our Movie Party: Our optional Movie Party is this Friday, September 6 from 4-6pm in our cafeteria. All band students are invited and can stay after school and be picked up at 6pm...no non band siblings or non band students please. Pick-up will be by the cafeteria in the back of the school. Students will be voting on a movie in class the next few days and I'll send an update later on what we will be watching. We also need students to chip in and bring munchies. Woodwinds - please bring sweet snacks, Brass - please bring salty snacks, and Percussion - please bring bottled water or cans of soda (No 2 Liters). **We need some parent volunteers as well! Let me know if you are interested!!!**

BEGINNER BAND: Mr. Hudson's classes are studying note names on the staff and buzzing on brass mouthpieces. Mrs. Anderson's classes are continuing their Alphabet All-Star Pass-Offs and ALL students received a 100 on their parts of the instrument quiz!!! Yay!!! Students have learned how to put together and take apart their instrument and they have already been starting to make sounds on their instruments and will continue this week. Percussion class with Mr. Miller is working on the fundamentals of playing their instrument and have a Quiz on Tuesday from their Snare Method Book. Check their binder each day for their PFA (Plan for Awesomeness) to see what they should be working on each day after school!

SYMPHONIC BAND/WIND ENSEMBLE: Sectionals have already begun with our Advanced Band students. Please check the Band Website for their schedule. We did not have the best attendance this week at sectionals. Please make sure students are at this very important once a week practice. Also...we will be changing the schedule slightly with Wind Ensemble after this shortened week is over to accommodate our students athletics schedules. I'll send an email later this week with an adjustment to the schedule.

Have a wonderful week!!!

Mrs. Anderson
